

SMOOT SEES PLOT IN SUGAR INQUIRY

Utah Senator Accuses Trade Commission of Conspiracy to Defeat Him

PROBE PURPOSELY DELAYED

By the Associated Press Washington, May 24.—Charges that a Federal Trade Commission investigation of the Utah-Idaho sugar Co. was being used in an effort to defeat him for re-election were made in the Senate today by Senator Smoot, Republican, Utah.

Although Senator Smoot said he had only a nominal stock interest in the company, he declared the commission's activities were being directed against his political interests.

"No one can object to any action that can be taken to control or regulate the lawful distribution of sugar," said Senator Smoot, "but when any department of the government undertakes to secure the defeat or election of a United States senator through the investigation of the affairs of a sugar company it is time that such a contemptible practice be called to the attention of the public."

Senator Smoot read copies of telegrams alleged to have passed between W. H. Beer, attorney for the commission in the Utah-Idaho company's investigation, and George E. Sanders, of Salt Lake City, in which Mr. Beer asked Sanders for advice regarding his movements and departure from Utah.

"Sugar magnates anxious for you to go through," Beer replied. "Patience should keep you on job. If you keep going for two months it will cost Smoot his Senate seat. Better kill time with Washington authority."

Months ago, Senator Smoot said, he was advised that the trade commission planned to investigate the Utah-Idaho concern just before the election and that among other causes assigned was that it would help defeat him for election.

The senator also read telegrams exchanged between himself and the sugar company relative to fixing sugar prices, and said all had been inspected by Department of Justice agents and his office course in that respect approved.

"I am positive the honest people of this country," said Mr. Smoot, "will not approve of any such rotten politics."
